VALENCIA BASKET EASTER TORNEO

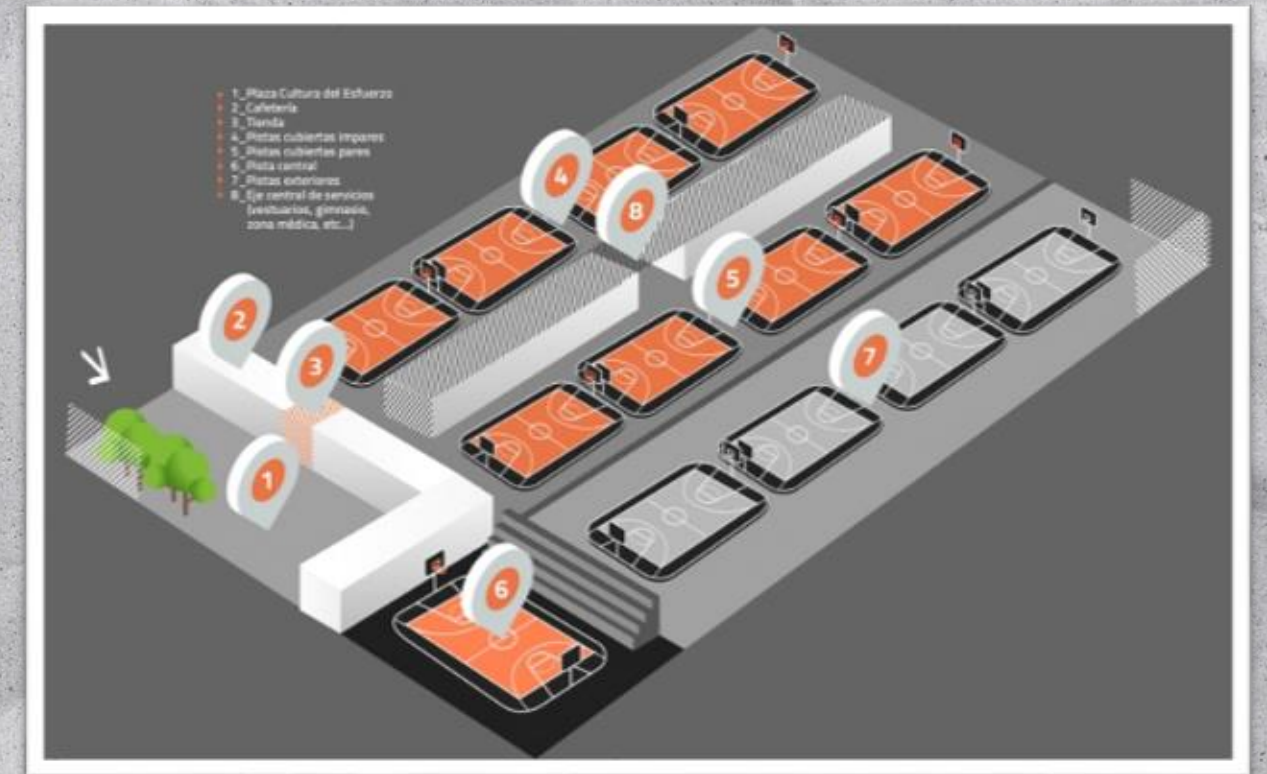

“CULTURA DEL ESFUERZO”

L'ALQUERIA DEL BASKET

- Valencia Basket inaugurated the L'alqueria del Basket facilities in 2017,
- Goal: to become a hub for development of basketball programs and the training of young talented players,
- Largest Basketball Training Center in Europe, with a total area of 150,000 m²,
- 9 indoor & 4 outdoor courts.

"That the new generations see in this sport a way to develop and enhance their values"
Juan Roig, L'Alqueria del Basket, September 27th, 2017

ROIG ARENA

- The Valencia arena, with a capacity of 16.000 spectators was completed in 2025,
- Aside from basketball games it also hosts cultural and entertainment events,
- 450 million euros investment covered 100% by the club's main shareholder, Juan Roig,

OUR GOAL:

Valencia Basket welcomes teams from Greece to participate in the tournament and play against Spanish teams, creating a unique environment of international competition, learning and cultural exchange. The main goal of the tournament is to offer young athletes the opportunity to compete at a high level, develop their skills through challenging games, and experience different basketball philosophies. At the same time, the tournament aims to promote sportsmanship, teamwork, and mutual respect, strengthening the connection between Greek and Spanish basketball while creating unforgettable experiences on and off the court.
