

## 2nd VALENCIA BASKET TORNEO ARGOLIDA 02 - 05 January 2026

After our first successful event, our young players are ready once again to enjoy our network's tournament, which they embraced with such enthusiasm last year. We are therefore delighted to announce the **2<sup>nd</sup> International Tournament of the Valencia Basket Academy SEE in Greece.**

The Tournament is co-organized by the Region of Peloponnese, the Municipality of Argos-Mycenae, the Municipality of Nafplio and the Municipality of Epidaurus and will take place under the auspices of the Argolis & Corinth Basketball Clubs Association.

Valencia Basket Club, one of the most prestigious basketball organizations in Europe with over 30 years of experience, invests not only in state-of-the-art sports facilities and top-level academy development programs, but also in strong and successful partnerships.
